Dear Fellow Iaidoka,

We would like to invite you to our VI. Regional Iaido Weekend with a subject of Taikai.

The purpose of this event is the same:

- Learn what the important technical and mental points are during taikai?
- How it is done, and what is the usual process?
- 3.Dan and above learn how to judge!
- On the last day an Open Individual Taikai **3.Dan and below!**

This year seminar will be lead by 7.Dan Patrik Demuynck Renshi, and leader of the Belgium Kendo Federation Iaido section. He has been competing and judging on the European Iaido Taikai since the start in 1993 and has won the European title 3 times ('93/'00/'05) and was also 3 times vice-Champion ('96/'99/'06). We hope that by sharing his experience we can understand and develop our Iaido even deeper!
